Questions?

Is this a discount program with a fee to join?

NO. We are not a discount program and will never charge a fee for our service.

Do I have to order all of my medication through you?

NO. You can order as many or as few as you would like. There is never any obligation to order through RxEstore.

Is the medication safe?

YES. RxEstore will never ship any medication that is not made by a USFDA approved manufacturer.
